AQUACULTURE

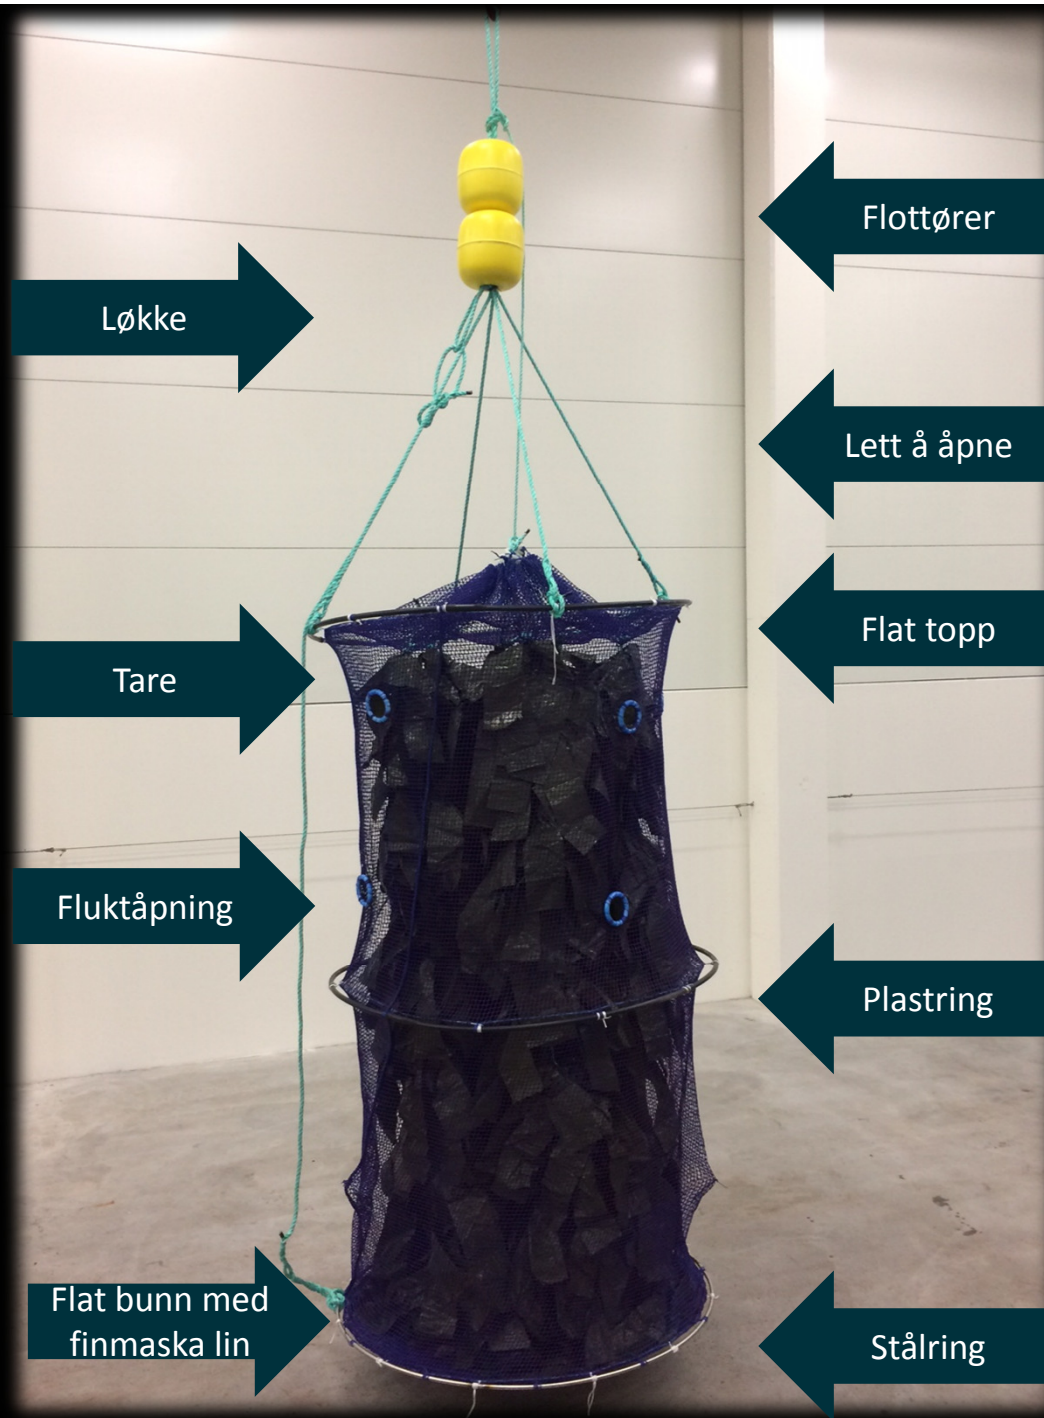

«Totalpartner til havbasert oppdrett»

An underwater photograph showing several fish swimming in a tank. The water is clear and blue. There are large, green, leafy seaweed plants in the foreground and background. The fish are of various species, including what appear to be sea bream and other smaller fish. The lighting is bright, creating a clear view of the aquatic environment.

SAMARBEID FOR ØKT FISKEVELFERD

An underwater photograph showing a school of fish swimming in clear, blue water. The fish are surrounded by large, green, leafy seaweed. The lighting is bright, creating a clear view of the marine life. A dark teal banner with rounded corners is overlaid across the middle of the image, containing the text 'TAKK FOR OSS!' in white, uppercase letters.

TAKK FOR OSS!
